From: Iran's API & Pharmaceutical Packaging Syndicate, the organizer of Pharmex Middle East

To whom it may concern,

With regard, we would like to inform you about our pharmaceutical event called "Pharmex Middle East". Pharmex with an industrial approach to the pharmaceutical industry is an international event that is held annually by "Iran's API & Pharmaceutical Packaging Syndicate".

Pharmex is Iran's greatest pharmaceutical event with several sub-events such as 2nd Pharmex Awards, educational workshops, and B2B meetings.

On behalf of Iran's API & Pharmaceutical Packaging Syndicate, with honor, for more cooperation opportunities we would like to invite you and your country's pharmaceutical enterprises to this pharmaceutical event from 25 – 27 February in Tehran's Olympic Hotel Int'l expo center.

Please note that we would like to know more about your interests in cooperation.

With respect, in order to promote the event in your country's pharmaceutical community especially syndicates and enterprises, at your discretion, please take action.

Further information regarding the expo is kindly attached.

Sincerely yours,

Meysam Karimi,

Public Relations Manager

Iran's API & Pharmaceutical Packaging Syndicate
