Afrika-Verein der deutschen Wirtschaft (AV), Germany

01:00 – 01:20 pm

### Keynote

#### **Jens Spahn, MdB**

Minister  
Federal Ministry of Health, Germany

01:20 – 02:00 pm

### High-Level Introductory Panel: Lessons Learned from the COVID-19 Pandemic – Outlook on How to Strengthen Healthcare Systems in Africa

This panel will discuss the impact of COVID-19 on African countries and highlight best practices as well as lessons learned from the pandemic. In addition, a focal topic of the discussion will lie on how healthcare systems can be strengthened and made more resilient in general to prepare for pandemics and will look at the role that public-private partnerships can play in this regard.

02:00 – 02:15 pm

### Digital Break

02:15 - 03:00 pm

### Panel Discussion: Partnerships in Strengthening Healthsystems

This session seeks to integrate different stakeholders such as corporates, government, academia, hospitals, NGOs, community health workers in strengthening health systems. During the session the following questions will be discussed: What do successful cooperations look like? What are the experiences? How could they be efficiently achieved? The session will include an **Impulse by a Representative** of Drägerwerk AG & Co.KGaA.

03:00 – 03:15 pm

### Digital Break

03:15 – 04:00 pm

### Panel Discussion: Digital and Innovative Healthcare Solutions

The digital response to pandemics in Africa plays a big role. This panel will tackle topics such as electronic health records, delivering personalised healthcare, artificial intelligence, IoT in healthcare, driving down the cost of care with technology and telemedicine. The session will include an **Impulse by a Representative** of Siemens Healthineers.
