

GHA/BDI Evening Reception

(as of 2022 07 11)

Germany's Role in Global Health - A Multisectoral Perspective

How can health systems be strengthened globally?

The contribution of industry, science & academia, civil society, and politics.

Monday, 12 September 2022 | 18.00-22.00h (CEST)

Langenbeck-Virchow-Haus

Luisenstraße 58/59, 10117 Berlin

[Registration Link](#)

Germany is home to many large and small companies in the health sector that have been involved internationally for many decades. In recent years, Germany's engagement in Global Health has also expanded considerably. Germany and Berlin are becoming a centre for Global Health. For the first time in 16 years, there are significant political changes in Germany.

What are the perspectives for Germany's engagement in Global Health?

Moderation: **Monika Jones**, Deutsche Welle TV
