

## Invitation

### Developments in the health sector in Uzbekistan, opportunities for German companies and regulatory requirements

Thursday, August 31, 2023, 12:00 to 13:15 CET, MS-Teams

[Registration Link](#)

Dear Sir or Madam,

GHA - German Health Alliance, Ost-Ausschuss der Deutschen Wirtschaft e.V. and Rödl & Partner jointly invite you to the webinar „Developments in the health sector in Uzbekistan, opportunities for German companies" on Thursday, August 31, 2023, 12:00 to 13:15 CET.

The Uzbek healthcare market is experiencing significant growth, offering promising opportunities for engagement. Healthcare reforms, infrastructure development, and technological advancements contribute to its potential. With a favorable demographic profile and increasing healthcare awareness, various sectors, including pharmaceuticals, medical equipment, telemedicine, and digital health solutions, present ripe engagement prospects.
