# Special competition Ukraine

**The develoPPP special competition Ukraine is aimed at companies that are willing to pursue business opportunities and get involved in Ukraine despite the very challenging situation there at present. The focus is on relevant projects in the fields of agriculture, health services, construction and renewable energy.**

Suitable projects can receive specialist and financial support from the German Federal Ministry for Economic Cooperation and Development (BMZ) of up to EUR 2 million, provided your company meets at least half the costs itself. An ideas competition is held to decide which projects receive support.

You can find further details and the full participation requirements at [www.develoPPP.de/ukraine](http://www.develoPPP.de/ukraine)

## PARTICIPATION REQUIREMENTS

To be eligible for support, your company must:

- be privately owned and profit-oriented
- be based in the EU, a member country of the European Free Trade Association (EFTA) or an OECD-DAC country
- have at least two audited annual financial statements
- have an annual turnover of at least EUR 400,000
- sufficient economic creditworthiness and liquidity
