20th Health in Eastern Europe & Central Asia Meeting

Medical procurement workshop by the SE “Medical Procurement of Ukraine”

About MPU: The State Enterprise “Medical Procurement of Ukraine” (MPU) stands as the sole national agency entrusted with the centralized procurement of high-quality medicines and medical devices financed by the state. The MPU conducts efficient procurements under state-funded programs directed by the Ministry of Health of Ukraine and oversees the timely delivery of the purchased products.

Goal: This workshop is designed to provide crucial insights and comprehensive guidelines on engaging in MPU’s procurement activities. It will place a significant emphasis on stringent anti-bribery measures and will explore the complexities of Ukrainian procurement legislation. The ultimate goal is to foster an environment that promotes fair competition and upholds ethical business practices.

Target audience: The workshop is aimed at German companies, medical goods distributors, and other stakeholders affiliated with the GHA/OA.
