Dear Sir or Madam,

Invitation: 15th Round Table on Access to and Production of Health Technologies in Africa – World Health Summit 2026

We are pleased to invite your company to participate in the **15th Round Table on German Development Cooperation and Health Industry: Partnerships and Innovations for Global Health**, hosted by the **German Federal Ministry for Economic Cooperation and Development (BMZ)** as a side meeting of the **World Health Summit 2026**. The Round Table will take place

**on Monday, 12 October 2026,
from 14:00 to 15:30,
at the InterContinental Berlin, Side Meeting Room III.**

The meeting will bring together representatives of the German and the European health industry for a closed-door session to openly exchange on **cooperation opportunities within German development cooperation**. The objective is to provide insights into the instruments and approaches offered under German development cooperation and to illustrate through concrete examples how such partnerships can work in practice. The discussion will also provide an opportunity to exchange on potential future cooperation approaches and priorities.

Page 2 of 2

Companies will share their experiences of partnering with German development cooperation. This will be followed by an input from the **Medicines Patent Pool (MPP)** on voluntary licensing and technology transfer, including a concrete example of successful technology transfer. Participants will then discuss potential cooperation opportunities and possible follow-up activities.

We would greatly appreciate your company's participation in this dialogue and kindly ask you to nominate one representative from your company via the [\[registration link\]](#) by **30 September**. Please note that all participants must be registered and accredited for the World Health Summit 2026; participation is only possible on-site. We will confirm your attendance by **5 October**.

Yours sincerely,
