

Invitation to

WHS Side Event: One Step Towards Recovery: One Year after the Launch of Syria's National Health Strategic Plan

Date & Time: October 12, 09:00 - 10:30 CEST

Location: Side meeting room III

Venue: InterContinental Berlin (Budapester Str. 2, 10787 Berlin)

It is our pleasure to invite you to an **expert roundtable on Syria's health system**, convened by the Syrian Ministry of Health, BMZ, development partners and international experts.

One year after the launch of Syria's **National Health Strategic Plan 2026–2028**, the roundtable will provide an opportunity to take stock of progress and lessons learned, and to discuss priorities and opportunities for the next phase of Syria's health-system recovery.

The discussion will explore progress in strengthening health-system resilience and essential health services, advancing Universal Health Coverage, and aligning recovery efforts and investments with national priorities. It will also provide a space to exchange perspectives and strengthen coordination and collaboration among national and international partners.

Your expertise and perspective would be highly valued. The roundtable aims to foster a forward-looking dialogue on priorities for Syria's health system and opportunities for coordinated support in the next phase of recovery.

We very much hope you will be able to join us and look forward to welcoming you in Berlin.
